Partner, LL.M.

Nikolaj Helsinghoff Andersen
Partner

Jonas Magaard Bøgh
Advokat, Senior Associate

The care home is being developed by Scandinavian Property development and will be operated by Attendo, a leading private provider of care services in the Nordics.

When completed, the care home will have 60 modern residential units, service areas and various attractive common areas covering a total floor area of 4,500 sqm. The project has been designed by Danielsen Architecture and will carry gold certification for sustainability from DGNG and is expected to be completed in the summer of 2025. The purchase price is confidential.

Northern Horizon Capital is a leading independent fund manager and has invested in more than 140 care properties in the Nordic region through four specialized funds.

The DLA Piper team consisted of Thomas Albrechtsen, Nikolaj Helsinghoff Andersen and Jonas Magaard Bøgh.
