Ditte Gramstrup is widely experienced within many aspects of commercial law and is also operationally experienced in implementing various compliance programs.

Ditte works in the interface between legal and commercial business considerations and acts for clients such as major Danish and international businesses. She provides advice on terms of business and various commercial contracts, balancing legal and commercial business considerations to achieve the best result.

In addition, Ditte provides advice within various compliance areas, including data-protection law, anti-corruption, competition law, export controls and sanctions.

Ditte regularly provides assistance to a number of Danish utility companies and ports in dealing with the rules on access to documents, including advising on the application of the Danish Act on Access to Environmental Information in Public Files, drafting decisions, the practical review and assessment of documents subject to access to documents, consultation responses as well as the processing of complaints.

Qualifications

| | | |
|-----------|----------------------------------|------|
| Education | Admitted to the Danish Bar | 2023 |
| | Master of Law, Aarhus University | 2015 |

Experience
