---

Laura Lysholm Haugland deals primarily with employment law and real estate, and additionally she is experienced within construction law, environmental law and criminal law.

Within real estate, Laura primarily advises on construction law and building rights, including dispute resolution in connection with legal and arbitration proceedings between construction-industry players concerning work carried out, including correct payment for work carried out and aspects of time within construction projects as well as time-barring.

Within employment law, Laura primarily advises Danish and international clients on all aspects of Danish employment and labour law and in connection with dispute resolution within this area.

Laura's advisory services focus on employment contracts, changes of conditions, discrimination and equal treatment issues, executive service agreements, staff policies and severance agreements.

Laura also undertakes pro bono work for a number of organisations within all areas of employment law as well as other practice areas, including immigration law. Laura mainly advises

contractors, including main contractors, sub-contractors and design-build contractors. She also advises owners and consumers.

Furthermore, Laura advises particularly employers on the employment and dismissal of employees, including adjustment of labour law policies and workplace conditions.
