

# DLA Piper Denmark has advised Sensata Technologies B.V. on the investment in Lithium Balance A/S

Daniel Egeberg Markussen  
Attorney, Director

Anette Moll Berg  
Partner

Michael Klöcker  
Partner, MBA, Head of Litigation & regulatory, Denmark

Jens Krogh Petersen  
Partner, Head of Corporate, Denmark

The transaction was completed in July 2019.

Sensata Technologies is a US listed company and one of the world's leading suppliers of sensors and operating systems for the transport, building and industry sectors, etc., including the motor-vehicle industry.

Lithium Balance A/S is a battery manufacturer, and the aim of Sensata's investment is to ensure the development of the company's battery-operating systems and to provide Lithium Balance access to the motor-vehicle industry, the industrial sector as well as heavy-duty vehicles. Danish Ørsted and Chinese Zenlead are among the present co-owners.

DLA Piper Denmark's team providing the transaction assistance primarily included Peter Neve, Lone Wandahl Mouyal, Mette Lykke, Daniel Markussen, Anette Moll Berg, Anne Sofie Alvad, Michael Klöcker, and Jens Krogh Petersen.
