

M&A in the Light of COVID-19: An Analysis by DLA Piper's Corporate M&A Department

Sebastian Ingversen
Partner

Nicholas Lerche-Gredal
Partner, LL.M.

Jens Krogh Petersen
Partner, Head of Corporate,
Denmark

This DLA Piper analysis describes a number of issues which parties involved in M&A transactions should take into consideration and reflect upon in light of the COVID-19 pandemic. Contact one of DLA Piper's M&A lawyers to discuss these issues in further detail.

We further refer to DLA Piper's daily updates on the different legal options for mitigating and managing the consequences of COVID-19, which are available [here](#).
