

DLA Piper advises the owners of Fremco on the sale to Storskogen

Jan Snogdal
Partner

Thomas Hagelskjær
Assistant Attorney

Sanela Lulic
Senior Project Manager

Storskogen has entered into an agreement to acquire 84% of the shares in Fremco A/S, a company specialising in developing and producing fibre blowing machines.

Fremco is a Danish fast-growing technology company with a strong foothold in the European markets and ambitions to grow in other parts of the world. The acquisition is expected to be finalised in the beginning of January 2022.
