Storskogen has entered into an agreement to acquire 82 percent of the shares in INGENIØR'NE, a Danish full-service building engineering consulting company with a strong local foothold in Denmark within social housing, healthcare, residential and corporate segments. INGENIØR'NE will be a part of Storskogen's vertical within Engineering Services and is the third company acquired by Storskogen Denmark in the past years.

INGENIØR'NE is headquartered in Esbjerg where it was founded in 1972, since then additional offices have been added in Kolding, Odense and Aarhus with a total of more than 170 employees. With a broad spectrum of in-house engineering competencies, deep niche knowledge and local presence INGENIØR'NE is recognised for their high quality in project design and execution proven by their numerous references within the private and public sector and long-term relations with customers.

DLA Piper advised Storskogen in all legal aspects of the transaction.

DLA Piper's M&A-team was headed by Nicholas Lerche-Gredal, Stefan Westh Wiencken, Christine Albech Franke and Oliver William Forrester.
