

Once again DLA Piper strengthens the position as leading M&A adviser in the Nordics

Jens Krogh Petersen
Partner, Head of Corporate,
Denmark

According to the Mergermarket Legal Advisor League Tables 2024, DLA Piper is recognized as the leading law firm for the highest number of transactions in the Nordic region.

Our lawyers in the Nordic region have been involved in 388 registered transactions in 2024. DLA Piper further tops the list of transaction volume in Europe and globally.

In Denmark, we also maintain a strong position, and once again we end in the top based on transaction volume.

"This achievement highlights the strength of our M&A teams across the Nordic region and underscores our dedication to delivering outstanding outcomes for our clients. A huge credit is owed to our dedicated employees. Thanks to all our clients for the trust. We eagerly anticipate supporting them in 2025, both locally and globally", says Jens Krogh Petersen, Nordic Head of Corporate M&A, DLA Piper.

Our annual Global M&A Intelligence Report

This report provides insights and trends on M&A activity across the world. The latest edition of our report will provide

analysis of key global terms of over 5,500 private M&A transactions over the last 10 years. The report will also highlight key M&A dealmaking considerations, trends in key geographies, and how hot topics in the current market impact M&A.

If you want to be informed about cross-border transactions, you can request a copy of our Global M&A Intelligence Report [here](#).
